100 pt. Biome Project   DUE Friday, May 27   Name:

Your biome project will be in two parts; a written portion and menu choices. Everyone must do the written information about the biome, and it is worth half of the 100 pts. The other half of the 100 pts can be made up of choices from the project menu. You may also choose to do the project on more than one biome. Each biome must have its own written section, but you only have to do enough menu items to total 50 creative choice points.   Grading: Science & Language Arts

The biome choices are:

-Tundra   -Temperate Rain Forest   -Deciduous Forest   -Grasslands   -Desert

Taiga   -Tropical Rain Forest   -Evergreen Forest   -Oceans   -Wetlands

PART 1: Written Choices (50 pts) Each written piece must include 3 paragraphs (at least 5 sentences each) which have the following information:

Paragraph 1) location in the world & landscape description

Paragraph 2) climate of the biome including seasonal temperatures and average rainfall

Paragraph 3) typical plant and animal life of the biome

Extra Credit: Paragraph 4) interesting facts

Written Choice List (you choose a creative way to deliver the information)

* 2nd Grade: Writing requirement is one 10-sentence paragraph with the same information

Diary   Newspaper article   Brochure or Pamphlet   Trading Cards   Children's book

Scrapbook   Flip book   Accordian book   Poem (3 stanzas)   Informational Essay

Letter to a friend

PART 2: Creative Choices
